

NIMHD

2014 NATIONAL INSTITUTE ON
MINORITY HEALTH &
HEALTH DISPARITIES
GRANTEES' CONFERENCE

TRANSDISCIPLINARY COLLABORATIONS: *Evolving Dimensions of US and Global Health Equity*

CONFERENCE GOAL

The 2014 National Institute on Minority Health and Health Disparities Grantees' Conference is designed to bring together scientists conducting transdisciplinary biomedical, clinical, population, and health policy research; members of the global community; health care providers; government officials; and private industry to focus on the collective efforts to improve minority health, promote health equity, and eliminate health disparities.

CONFERENCE TRACKS

- Basic and Applied Minority Health and Health Disparities Research
- Behavioral and Social Determinants of Health including Mental Health and Violence
- Clinical and Translational Minority Health and Health Disparities Research
- Community-Based Participatory Research Addressing Minority Health and Health Disparities
- Health and Healthcare Policy Research
- Health Related Technology Application in Minority and Health Disparities Populations
- Research in Special Population Sub-Groups

CALL FOR ABSTRACTS

We are soliciting abstracts for oral and poster presentations. Abstracts will be accepted via electronic submission only. It is the authors' responsibility to see that the guidelines and instructions are followed. Abstracts that do not conform to official guidelines will not be accepted.

ABSTRACT TOPICS

Abstracts are categorized in broad thematic areas related to domestic and global transdisciplinary collaborations on minority health, health disparities, and health equity. If your work does not correspond with the designated themes, simply indicate "Other" for your category selection. Please note that reviewers have the authority to reassign categories as necessary.

- Behavioral and Mental Health
- Biomedical Informatics and Computational Biology
- Cancer Health Disparities Research
- Cardiovascular and Cerebrovascular Disease
- Child and Adolescent Health
- Clinical and Translational Science Research
- Community-Based Participatory Research Addressing Minority Health and Health Disparities
- Complementary and Alternative Medicine
- Environmental Science
- Gene-Environment Interaction
- Global Health
- Health Information Technology and Health Disparities in Minority Populations
- Health Policy
- Health Related Technology Application and Health Disparities in Minority Populations
- HIV and AIDS
- Immigrant Health
- Infectious Disease / Immunology / Autoimmunity (Non-HIV)
- Lesbian, Gay, Bisexual, Transgender, and Intersex (LGBTI)
- Men's Health
- Migrant Health
- Nanotechnologies
- Neuroscience
- Pharmaceutical Sciences / Pharmacokinetics / Drug Delivery
- Proteomic Applications in Basic Research
- Research with Indigenous Populations
- Rural Health
- Science of Metabolic Disease
- Small Business Grants to Address Health Disparities
- Social Determinants of Health
- Violence and Health Disparities
- Women's Health
- Other Areas (as related to minority health and health disparities)

Symposium Convenes:

DECEMBER 1–3, 2014

*Gaylord National Resort & Convention Center
National Harbor, Maryland USA*

IMPORTANT DATES

August 15, 2014

Abstract Submission Deadline

September 1, 2014

Early Bird Registration Deadline
Abstract Selection Notification
Travel Grant Award Notification

October 6, 2014

Advertisement and Booth Descriptors Due
General Registration Fee Deadline
(On-site rates apply beginning October 7, 2014)

October 29, 2014

Lodging Discount Deadline

November 10, 2014

Exhibitor Services Discount Deadline

December 1, 2014

Pre-Symposium Training Workshops
Symposium Begins
